Pursuant to your findings in the above mentioned rulemaking the ARB hereby authorized you to make the following corrections:

1. Substitute the Final Regulation Order behind each copy of the form 400 and one copy behind tab 2, the Executive Order. A hard copy of the Final Regulation Order is attached. Kirk Oliver authorized you to: (a) print out an identical electronic version which he emailed and (b) copy it and substitute these copies behind the Form 400.
2. Add the attached revised Final Statement of Reasons (including Appendix 1 and Revised Table of Contents) behind tab 4.
3. Substitute the attached Economic and Fiscal Impact Statement (Form 399) behind tab 8.
4. Substitute the attached revised Reference List behind tab 17 and remove the disk containing the Rand study.
5. Substitute the attached revised "Certification" for closing the rulemaking record in place of that which was originally submitted, to reflect reopening of the rulemaking record to include changes to the above-mentioned documents, behind the TOC in front of Tab 1.
